JUGHEADS Parents—We Need Your Help!

We are so appreciative—and utterly dependent—of the parental support given during Juggle Jam season, but one of the hardest parts is organizing all the volunteers. To help save time making phone calls, here are two ways to volunteer for JJ13.

- 1) Fill out this sheet and turn it in with your Spring Tuition Payment—or any time.
- 2) Email Wendy (jugheads@comcast.net) with how you would like to be involved.

We also need a few more parents to be on the JJ13 Planning Team. These parents will head up a specific area during show nights and make sure it is running smoothly. Volunteer assignments/reminders will be posted on www.jugheads.com.
